This is a collective damage insurance policy taken out by Gritchen Affinity with MUTUAIDE ASSISTANCE with optional membership.

Appendix to Article A. 112-1

Advice on exercising your right to a waiver as provided for under Article L. 112-10 of the French Insurance Code.

Please check that you do not already have cover for any of the risks covered by the new policy. If this proves to be the case, you are entitled to terminate this policy for fourteen calendar days from the date it was signed. No charge or penalty is payable if all the following conditions are met:

- **you took out the policy for non-professional purposes;**
- **the policy came with the purchase of goods or a service sold by a supplier;**

- **you can show that you are already covered for one of the risks covered by this new policy;**
- **the policy you wish to cancel has not been fully established;**
- **you have not declared any loss covered by this policy.**

If this situation, you can exercise your right to cancel this policy by letter or in any lasting medium sent to the insurer of the new policy, together with documentary proof that you already have cover for one of the risks covered by this new policy. The insurer must reimburse you the premium paid within thirty days of your cancellation.

If you wish to cancel your policy but do not meet all the above conditions, please check the cancellation procedure stipulated in your policy.

Additional information:

The cancellation letter (suggested template below) to exercise this right must be sent by letter or any other lasting medium to Gritchen Affinity - 27 rue Charles Durand - CS70139 - F-18021 Bourges:

"I, the undersigned, Mr/Mrs/Ms.....residing athereby cancel my policy no.....taken out with MUTUAIDE ASSISTANCE in accordance with Article L 112-10 of the French Insurance Code. I hereby certify that on the date of sending this letter, I am unaware of any loss bring a cover under the policy into play.»

Consequences of cancellation:

Exercising your right to cancel within the period stated in the above box will result in the policy being cancelled as of the date of receipt of the letter or any other durable medium. Once you become aware of a loss covered by the policy, you can no longer exercise this right to cancel.

In the event of cancellation, you are only liable to pay the part of the premium or contribution for the period during which the risk was covered, with this period being calculated up to the cancellation date. The full premium or contribution will, however, be payable to the insurance company if you exercise your cancellation right when a loss of which you were unaware occurs, thereby bringing the policy cover into play during the cancellation period.

COLLECTION OF DATA

The Insured acknowledges being informed that the Insurer processes his personal data in accordance with regulations relative to the protection of personal data in effect and that, moreover:

- the answers to the questions asked are mandatory and that in the event of false declarations or omissions, the consequences for him may be invalidity of the policy taken out (Article L 113-8 of the French Insurance Code) or the reduction of indemnities (Article L 113-9 of the French Insurance Code),
- The processing of personal data is necessary for acceptance and execution of his policy and covers, the management of commercial and contractual

- The recipients of his personal data are, within the limits of their powers, the services of the Insurer in charge of signature, management and execution of the Insurance Policy and covers, its delegates, agents, partners, sub-contractors and reinsurers, within the framework of their duties.

They can also be sent, if necessary, to professional bodies as well as to all persons involved in the policy such as lawyers, experts, court officials and ministerial officers, trustees, guardians or investigators.

Information concerning him may also be transmitted to the Underwriter, as well as to all persons accredited as Authorised Third Parties (courts, arbitrators, mediators, relevant ministries, supervisory and regulatory authorities and all public bodies authorised to receive it as well as departments in charge of control such as statutory auditors, auditors and departments in charge of internal control).

- In its capacity as a financial organisation, the Insurer is subject to the legal obligations resulting mainly from the French Monetary and Financial Code with regard to money laundering and against the financing of terrorism and, as such, it monitors policies, which may culminate in the drafting of a declaration of suspicion or a measure of freezing of assets.

The data and documents concerning the Insured are kept for a period of five (5) years from the end of the policy or termination of the relationship.

- His personal information may also be used within the framework of processing to fight against insurance fraud, which may lead, if applicable, to registration on a list of persons presenting a risk of fraud.

This registration may have the effect of extending examination of his file, or even the reduction or refusal of the benefit of a right, benefit, policy or service offered.

In this context, personal data concerning him (or concerning persons or parties who are interested in the policy) may be processed by any authorised persons working within the entities of the Insurer Group in the context of the fight against fraud. These data may also be intended for the authorised

personnel of organisations directly concerned by fraud (other insurance organisations or intermediaries; judicial authorities, mediators, arbitrators, court officials, ministerial officers; third-party organisations authorised by a legal provision and, if applicable, victims of acts of fraud or their representatives).

In the event of a fraud alert, the data are kept for a maximum of six (6) months to qualify the alert and then deleted, unless the alert is relevant. In the event of a relevant alert, the data are kept for up to five (5) years following closure of the fraud case, or until the end of the legal proceedings and the applicable limitation periods.

Data of people registered on a list of suspected fraudsters are deleted after five years from being registered on this list.

- In its capacity as insurer, it is entitled to process data relative to violations, condemnations and measures of security, either when taking out the insurance policy, or during the period of execution, or within the framework of handling litigation.
- Personal data may be used by the Insurer for his processing operations with the purpose of research and development to improve the quality or relevance of its future insurance or assistance products and service offers.

He has the right to provide instructions on what becomes of his personal data after his death. These instructions, general or specific, concern the storage, removal and communication of his data after his death.

These rights can be exercised with the Insurer's Data Protection Representative:

- by e-mail: at DRPO@MUTUAIDE.fr
- or
- by post: by writing to the following address:
Data Protection Representative -
MUTUAIDE ASSISTANCE - 126 rue de la
Piazza - F-93196 Noisy le Grand.

Having made a request to the Data Protection Representative without receiving satisfaction, he can contact the CNIL (French Data Protection Agency).

SUBROGATION

MUTUAIDE ASSISTANCE is subrogated, for the amount of the indemnities paid and the services provided by it, in the rights and actions of the Insured, against any person responsible for the facts which justified its involvement. When the services provided in execution of the agreement are fully or partially covered by another company or institution, MUTUAIDE ASSISTANCE is subrogated in the rights and actions of the Insured against this company or this institution.

TIME LIMIT

In application of Article L 114-1 of the French Insurance Code, any action resulting from this policy is time-barred two years after the event giving rise to it. This period is extended to ten years for death covers, with the actions of beneficiaries being time-barred at the latest thirty years after this event. However, this period only runs:

- in the event of reluctance, omission, false or inaccurate statement on the risk incurred, from the day that the Insurer became aware of it;
- in the event of a loss, from the day that the concerned parties became aware of it, if they prove that they were unaware of it until then.

When the action of the Insured against the Insurer is due to the recourse of a third party, this time limit only starts from the day that this third party brought legal action against the Insured or was indemnified by it.

This time limit may be interrupted, in accordance with Article L 114-2 of the French Insurance Code, by one of the following ordinary causes of interruption:

- Recognition by the debtor of the right of the party against whom the time limit was reached (Article 2240 of the French Civil Code);
- legal action, even in summary proceedings, until termination of the proceedings. The same applies when it is brought before a court that does not have jurisdiction or when the act of referral to the court is cancelled out by the effect of a procedural defect (Articles 2241 and 2242 of the French Civil Code). The interruption is void if the petitioner withdraws his request or allows the procedure to expire, or if his request is definitively rejected (Article 2243 of the French Civil Code);

- a precautionary measure taken in application of the Code of Civil Enforcement Procedures or an act of forced execution (Article 2244 of the French Civil Code).

It is recalled that:

Notification made to one of the joint debtors regarding legal action or an act of forced execution, or recognition by the debtor of the right of the party against whom the time limit had expired interrupts the time limit against all the others, even against their heirs.

However, notification made to one of the heirs of a joint debtor or the recognition of this heir does not interrupt the time limit with regard to the other joint heirs, even in the event of a mortgage claim, if the obligation is divisible. This notification or recognition only interrupts the time limit with regard to the other co-debtors, for the part owed by this heir.

To interrupt the time limit period for the whole debt, with regard to the other co-debtors, it is necessary to notify all the heirs of the deceased debtor or to recognise of all these heirs (Article 2245 of the French Civil Code).

Notification made to the principal debtor or his recognition interrupts the time limit against the guarantor (Article 2246 of the Civil Code).

The time limit can also be interrupted by:

- the appointment of an adjuster following a loss;
- sending a registered letter with acknowledgment of receipt (sent by the Insurer to the Insured regarding the action for payment of the premium and sent by the Insured to the Insurer regarding settlement of the loss indemnity).

SETTLEMENT OF DISPUTES

Any difference arising between the Insurer and the Insured relative to determination and payment of benefits will be submitted by the first party to take action, failing amicable resolution, to the competent court at the domicile of the Insured, in accordance with the provisions of Article R 114-1 of the French Insurance Code.

FALSE DECLARATIONS

When they change the subject of the risk or reduce our opinion of it:

- **Any reluctance or intentionally false declaration on your part will render the policy null and void. We shall retain any premiums paid and we shall be entitled to demand payment of the premiums due, as**

provided for in Article L 113.8 of the French Insurance Code.

- **Any omission or inaccurate declaration by you for which bad faith is not established results in the termination of the policy ten days after the notification is sent to you by registered letter and/or the application of the reduction in indemnities of the French Insurance Code, as indicated in Article L 113.9.**
